About Us

Barnagarwala Group was established in the year **1968** by a visionary **Mr. Kaizar Ali Barnagarwala**. He has always focused on providing quality chemical and pesticide products at a very competitive pricing. Since the initial days he has been building his own brand of chemicals and pesticides under the brand of ASKAB. The efforts since then has been materialized in the form of high market penetration pan India and recognition of ASKAB brand across the length and breadth of the country. Under the able and efficient guidance of our Managing Director, "Mr. Kaizar Ali Barnagarwala", who has rich experience in this domain, we have carved a niche for ourselves in the market. This ethical business practices, client oriented approaches and sound strategies have enabled us to muster a huge clientele across the nation.

Barnagarwala Chemicals is the leading **manufacturer** of **Bed Bug Killer, Cockroach Killer, Rat Killer, Spray Pumps** and much more. We formulate all the products as per the specifications detailed by the customers to fulfill their exact requirements and demands. Apart from this, our these are widely used in offices, corporate houses, commercial complexes and industries for diverse applications. All our products are widely appreciated by the customers due to their longer shelf life, precise pH value, user-friendly nature, accurate composition and purity. Our advanced processing unit helps us in formulating all...
